CITY MANAGER

Cary Westin

Date: April 2, 2024
 To: Offerors - Solicitation #2024-0438R Geotechnical & Material Testing Services for the El Paso Public Safety and FD Headquarters and Vehicle Maintenance and Logistics Center Project
 From: Elsa Rodriguez, Contracts Manager
 Subject: Response to questions

1. Has Design-Build team been selected?

Design-Build team has not been selected. The City is currently in negotiations with potential DB team.

2. If a company provides geotechnical design services for the contractor, can that company be selected for the subject solicitation?

No, in an effort to prevent conflict of interest, Geotechnical Design Services from Design Build Team and selected firm from this solicitation must be different.

3. Under Section V Submittal Requirements, is there a prescribed format for the “dividing tab inserts”, or are we granted flexibility in structuring these tabs or page breaks according to our preference?

Dividing tab inserts can be structured according to the firm’s preference, however any dividing tab inserts containing project / criteria information will count towards the page limit.

4. Will the A/E Selection committee provide minutes of the pre-proposal meeting?

Pre-proposal meeting minutes are available on solicitation page under link to docs.

Yvette Hernandez, P.E., – City Engineer
