City of El Paso
Internal Audit Department
FY2024-2025 Annual Audit Plan

OVERVIEW

In accordance with *The Institute of Internal Auditors' Global Internal Audit Standards*, Standard 9.4 – Internal Audit Plan, the Internal Audit Department has prepared a risk-based Internal Audit Plan for Fiscal Year 2024-2025. The Fiscal Year 2024-2025 Audit Plan is a description of the internal audit activities that will be performed by the Internal Audit Department during the Fiscal Year. Per Standard 9.2, the Audit Plan serves as a strategy to help guide the internal audit function toward the fulfillment of the long-term objectives and success of the organization. The Audit Plan aligns with the expectations of the Financial Oversight and Audit Committee and Senior Management.

By periodically reporting the Internal Audit Department's actions to the Financial Oversight and Audit Committee (FOAC) and City Manager's Office, the Internal Audit Department helps support the City of El Paso's Strategic Plan Goals 6.6 and 6.8;

- Goal 6.6: Ensure continued financial stability and accountability through sound financial management, budgeting and reporting.
- Goal 6.8: Support transparent and inclusive government.

The process of preparing the Audit Plan included identifying those areas that are considered the most important and ensuring that activities with the greatest risk are audited. The Financial Oversight and Audit Committee will review and approve the Fiscal Year 2024-2025 Audit Plan subject to final approval by City Council. Members of the Financial Oversight and Audit Committee provided input, as did the Department Directors and Managing Directors, where appropriate. The Financial Oversight and Audit Committee (FOAC) is comprised of the following members:

- Brian Kennedy, Representative District 1 – FOAC Chair
- Dr. Josh Acevedo – Representative District 2
- Joe Molinar, Representative District 4
- Art Fierro, Representative District 6
- Dionne Mack, City Manager (non-voting member)
- Edmundo Calderon, Chief Internal Auditor (non-voting member)

IDENTIFICATION OF THE AUDIT UNIVERSE AND RISK ASSESSMENT

The Institute of Internal Auditors' Global Internal Audit Standards, Standard 9.4 requires that Internal Auditors develop an Audit Plan based on the assignment of risk. The Audit Universe is a subjective assessment of auditable areas within the City of El Paso. To identify the Audit Universe, we reviewed the City's Organizational Chart (as of 8/31/24), prior Audit Plans, the Annual Comprehensive Financial Report, and prior Risk Assessments. The auditable areas were broken down into eight distinct areas:

- | | |
|--|---|
| 1. Mayor & City Council | 5. DCM – Economic Development & Tourism |
| 2. City Manager | 6. DCM – Public Safety & Support Services |
| 3. City Attorney's Office | 7. DCM – Support & Financial Services |
| 4. City of El Paso Employee's Retirement Trust | 8. DCM – Quality of Life |

FY2024-2025 Annual Audit Plan

The following describes our planning process used to prepare the Fiscal Year 2024-2025 Audit Plan. The Audit Plan can be found as [Attachment 1](#).

The Audit Universe for the City of El Paso was identified by separating the Operational, Administrative, and Executive Management functions within the City of El Paso. The Risk Assessment was designed to measure certain risk factors necessary for the City of El Paso to meet its Mission, Strategic Plan, and its Goals and Objectives. Our goal is to provide reasonable assurance that the concept of risk-based auditing was practiced. The risk factors used were:

- **Management Interest** – Interest by management to have an area audited due to operational or internal control concerns.
- **Budget Risk** – The risk that the City of El Paso's annual budget will be severely affected by factors that are not planned for or anticipated.
- **Strategic Risk** – The risk that poor business decisions or improper implementation of strategic goals will reduce the City of El Paso's ability to meet those goals.
- **Reputation Risk** – The risk that the City of El Paso's public image will be tarnished due to improper actions on the part of officials, management, or staff.
- **Compliance Risk** – The risk that failure to comply with laws and regulations, prudent ethical standards, and contractual obligations will harm the City of El Paso.
- **High Level of Decentralization** – The risk of internal control breakdowns due to the size of large-scale departments or operations.
- **Legal Claims** – The risk of the legal claims being filed against City departments while conducting their core operations.
- **Time Last Audited** – The risk that certain high risks areas within the City of El Paso are not audited on a periodic basis.
- **Change in Management** – The risk of new management being assigned to an area identified in the Audit Universe.

The Annual Risk Assessment can be found as [Attachment 2](#).

SCOPE OF AUDITS

The Institute of Internal Auditor's Global Internal Audit Standards, Standard 9.1 addresses the scope of work as follows:

- Review the **reliability and integrity of financial and operational information** and the means used to identify, measure, classify, and report such information.
- Review the systems established to ensure **compliance** with those policies, plans, procedures, laws, and regulations that could have a significant impact on operations and reports.
- Review the means of **safeguarding assets** and as appropriate verify the existence of such assets.
- Appraise the **effectiveness and efficiency** of operations within the organization.
- Review **operations or programs** to ascertain whether results are consistent with established goals and objectives, and whether the operations or programs are being implemented or performed as intended.

In addition, audits are completed under the guidance of the *U.S. Government Accountability Office's Generally Accepted Government Auditing Standards (GAGAS)*. GAGAS provides a framework for conducting high quality government audits with Competence, Integrity, Objectivity, and Independence. These standards are for use by Auditors of government entities and entities that receive government awards. GAGAS contain requirements and guidance dealing with Ethics, Independence, Auditors' Professional Competence and Judgment, Quality Control, the Performance of Fieldwork, and Reporting. Audits performed under GAGAS provide information used for oversight, accountability, and improvements of government programs and operations. GAGAS contains requirements and guidance to assist Auditors in objectively acquiring and evaluating sufficient, appropriate evidence and reporting the results. When Auditors perform their work in this manner and comply with GAGAS in reporting the results, their work can lead to improved government management, better decision making and oversight, effective and efficient operations, and accountability for resources and results.
