City Manager

Tommy Gonzalez

The Office of Veteran and Military Affairs

Thank you for your interest in The Bridge Fellowship!

The City of El Paso in partnership with Ft. Bliss Soldiers for Life-Transition Assistance Program (SFL-TAP) program has launched a program focused on providing opportunities in local government for transitioning military service members.

The Bridge Program matches eligible transitioning soldiers from the military to learn valuable career building skills while working within the City of El Paso. This opportunity is more than a simple internship, rather it is a fellowship that opens doors for men and women who have served. The Fellowship is an immersive work experience to develop valuable commercial skills and prepare for successful post-military careers.

The City of El Paso is equipped to provide opportunities in the fields of human resource management, facilities management, information technology, urban redevelopment, community engagement, transportation systems, the arts and more.

If you are interested in these opportunities, please submit the following documents:

- Professional Resume
- Personal 1 page narrative of why you would like to work for the City of El Paso
- 2 Letters of Recommendation
- Approval from the first Field Grade Officer in your Chain of command if you are not on Terminal Leave to allow you to participate in the fellowship.

Submit the required documentation to the SFL-TAP office to participate in a pre-screening. City staff will then review your packet for final approval and match your skills to available opportunities within the city. You will then be contacted by the City of El Paso, Chief Military Officer to schedule an interview with the city team.

Thank you again for your interest in the program.
