Free Drive-Thru Pet Wellness Clinic by El Paso Animal Services

Pet Vaccine Clinic Sponsored by Petco Love

WHAT: Drive-Thru Pet Wellness Clinic
WHEN: 8 to 10 a.m. Sunday, June 2, 2024
WHERE: SISD Student Activities Complex
1300 Joe Battle Blvd
COST: **FREE**

The City of El Paso Animal Services Department, in collaboration with the El Paso County Animal Welfare Department and sponsor Petco Love, is excited to announce its second drive-thru pet wellness clinic of the year from 8 to 10 a.m. Sunday, June 2, at 1300 Joe Battle Blvd.

This **FREE** vaccine and microchip clinic aims to enhance pet health and safety as we approach the warmer months when rising temperatures increase the spread of disease. The services are crucial for promoting overall pet population health and increasing the likelihood of lost pets returning home safely, especially as we approach the Fourth of July holiday—a peak time for pets to go missing.

The clinic operates on a first-come, first-served basis and is limited to the first 500 pets. Participants are reminded to keep their pets inside their vehicles throughout the drive-thru clinic. Dogs must be securely leashed, and cats should be placed in a suitable carrier.

At the clinic, all pets will be microchipped, dogs will receive a parvo/distemper vaccination, and cats will receive a feline viral rhinotracheitis, calicivirus, and panleukopenia (FVRCP) vaccination. Pets aged six weeks or older are eligible for vaccines, and no other pet vaccinations will be available.

El Paso Animal Services urges the community to take advantage of this event to minimize the risk of disease outbreaks and ensure a healthier future for their furry companions. For more information about this event and to stay updated on future initiatives, please visit www.EIPasoAnimalServices.org.
