El Paso, Texas – On May 13th, 2023, officers from the El Paso Police Department responded to 9700 Gateway North (Camp Cohen Pool) regarding a possible drowning incident. Upon arrival, officers discovered an unresponsive 3-year-old child. Immediate action was taken, and the child was transported to a local hospital. The El Paso Police Department's Crimes Against Persons and Crimes Against Children divisions initiated a comprehensive investigation to determine the incident's circumstances.

Investigators were able to establish a detailed account of the events leading to the unfortunate outcome.
