EL PASO, Texas—The El Paso Police Department Special Traffic Investigations Unit continues investigating a fatal crash involving a motorcycle that occurred on Saturday, August 31, 2024. Preliminary investigations revealed Reardon was traveling westbound on Transmountain in the left lane at a high rate of speed. Reardon lost control of the motorcycle and began to ride against the curb and travel west onto the median, going over the rock landscape. The motorcycle then went onto its side and skid across the left lane before crashing into the rear of vehicle 2, which was stopped at a red light. Reardon was dislodged from the motorcycle and died at the scene. Vehicle 2 driver and passenger were not injured. Reardon was wearing a helmet. Speed is a contributing factor in this crash. This is the 41st traffic fatality this year compared to 53 at this time in 2023.
