El Paso, Texas— Special Traffic Investigations unit continues investigating last night's hit-and-run crash. Police received the call at 9:58 pm regarding a person lying on the ground. When officers arrived, they located a woman who had been struck by an unknown vehicle. Preliminary information is the woman was attempting to cross Doniphan from east to west at the intersection of Borderland with a do not walk signal. As she was crossing, an unknown vehicle traveling northbound on Doniphan struck the pedestrian and continued on Doniphan. The pedestrian died at the scene.

The contributing factor in this collision is the pedestrian crossing against a no-walking signal and failing to yield to a motor vehicle.

Investigators know possible witnesses were at the Circle K located at the intersection of Borderland and Doniphan at the time of the crash. They are asking anyone with information about this fatal crash to contact the police at the non-emergency number of 915-832-4400 or, to remain anonymous, call Crime Stoppers of El Paso at 915-566-8477
